DEDICATION

With great pleasure and appreciation we dedicate this annual, "The Shasta Nugget", to a person who has always been a growing part of our Academy. To one who has worked long to make our organization and outings as successful as they have been and few times rewarded. To a person that the students and faculty could look upon as their always faithful friend.

Mrs. Sexton, to you we dedicate this annual.

Dear Teri — I'm glad you've been here this year, and I'm placing my confidence in you to do a <u>great</u> work for God in these trying and often licentious times. I know you won't let me down. God bless you, Teri, and make you His friend.

Sincerely,
